BLUEWASH LIQUID L2

Concentrated Laundry Liquid

DESCRIPTION :

BLUEWASH LIQUID is a clear, thick blue liquid combining a blend of powerful cleaning agents, detergents and specialty optical brighteners. BLUEWASH LIQUID ensures maximum cleaning performance on all soils encountered leaving fabrics clean and bright with a fresh residual fragrance.

APPLICATION :

BLUEWASH LIQUID can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. The highly active biodegradable "naturally derived" detergents used in BLUEWASH LIQUID ensure that the toughest soils and grease are removed quickly and effectively. The naturally derived ingredients are also gentle on the skin. BLUEWASH LIQUID is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

FEATURES

- Concentrated
- Controlled foam properties
- Excellent cleaning results in hot or cold water
- Contains superior optical brighteners .
- Contains a specialty substantive perfume
- Contains water softeners
- Contains Anti-Bacterial Agent
- Made From Renewable Resources
