LASER

MULTI PURPOSE LAUNDRY DETERGENT

DESCRIPTION

LASER is a concentrated laundry powder combining both effective cleaning and safe bleaching in the one operation as well as imparting a fresh lemon fragrance.

APPLICATION

LASER has been developed to remove all types of industrial and hospitality soils. These soils include grease, fat, oil blood and protein stains. Typical wash categories will be sheets, pillow slips, bath mats, towels.

BENEFITS

- Dual action - combines effective cleaning with safe bleaching on all colours as well as whites.
- Contains no harsh caustic alkalis - ensures safe handling by the operator.
- Low Foaming - Suitable for front as well as top loading machines.
- Optimised levels of optical brighteners to ensure maximum whiteness and brightness is attained.

DIRECTIONS FOR USE

Dose rate will vary between 200 - 500 gm per 45kg dry wash depending on the degree of soiling.

HEALTH & SAFETY INFORMATION

See separate Material Safety Data Sheet available on request.

PACKAGING

25 kg Poly woven Bags

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
