# LIQUID SPARKLE

## GLASS WASHING DETERGENT

### DESCRIPTION

LIQUID SPARKLE is a concentrated blend of heavy detergents and specialty solvents combined with water softeners and scale inhibitors to provide maximum cleaning efficiency in all types of glass washing machines.

### APPLICATION

LIQUID SPARKLE was developed specifically for the cleaning of glassware through automatic glass washing machines but is also suitable for manual hand washing applications.

LIQUID SPARKLE effectively removes all soils especially difficult to remove stains such as lipstick and orange juice.

### FEATURES

- ▶ Highly concentrated liquid
- ▶ Contains water softeners
- ▶ Extremely free rinsing
- ▶ Contains scale inhibitors
- ▶ Low Odour
- ▶ Removes all stains in wash cycle

### BENEFITS

- ▶ Ensures economical dose rates.
- ▶ Effective even in very hard water.
- ▶ Leaves glassware spot free.
- ▶ Prevents scale build up in machine.
- ▶ No unpleasant odours during wash cycle.
- ▶ No need for pre-soaking.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.

# LIQUID SPARKLE

## GLASS WASHING DETERGENT

### DIRECTIONS FOR USE

LIQUID SPARKLE is generally pre-diluted before adding to the tank. Mix ratios will be dependent on the type of glass washing machines. The following is a guideline only and may vary to suit individual machines:

Aquamatic	1 part to 4 parts water
Dishlex	Undiluted
Eswood	1 part to 3 parts water
Johnston	1 part to 3 parts water
Norris	1 part to 3 parts water

### HEALTH & SAFETY INFORMATION

See separate MSDS available on request.

### PACKAGING

- ◆ 5 litre Polyethylene drum
- ◆ 15 litre Polyethylene drum
