RIPPER STRIPPER

FLOOR POLISH STRIPPER

DESCRIPTION

RIPPER STRIPPER is a new generation low odour floor stripper. It combines a highly effective solvent-system with excellent detergency and has a pleasant citrus fragrance.

APPLICATION

RIPPER STRIPPER is specifically designed for the removal of water based floor finishes, but should not be used on wooden floors or painted surfaces.

BENEFITS

- Low odour even in very hot water
- Leaves a pleasant residual citrus odour
- Effective on all types of water based polishes
- Extremely free rinsing

DIRECTIONS

1. Prepare a 1:8 solution of RIPPER STRIPPER in hot water and apply with a mop.
2. Allow 8-10 mins contact time for the product to react with the polish.
3. Machine scrub at slow speed using a black pad.
4. Pick up resultant slurry with a mop.
5. Rinse floor with clean, hot water and collect water into a clean bucket with a clean mop.

HEALTH HAZARD INFORMATION:

See separate Health and Safety Data Sheet available on request.

PACKAGING: ♦ 5 Litre polyethylene drums

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
