# Tru-Grit

## HEAVY DUTY HAND CLEANER

### DESCRIPTION:

**TRU GRIT** Hand Cleaner contains “No Hydrocarbons” and has been formulated especially for use in liquid dispensers. **TRU GRIT** Hand Cleaner contains the finest polyethylene micro scrubbers with emollients that remain in suspension allowing it to be dispensed from all types of liquid dispensing systems.

### APPLICATIONS:

**TRU GRIT** Hand Cleaner effectively remove heavy greases, oil, dirt, carbon and other associated soils found in industrial workshops. The unique abrasive agent ensures any ingrained soil is removed effectively and quickly while retaining the natural suppleness of the skin. These include workshops, garages, maintenance areas and printing works.

### FEATURES:

- Detergent based system
- Contains a unique abrasive system
- Enriched with emollients
  
- Free rinsing

### BENEFITS:

- No unpleasant solvent odours
- Removes the toughest ingrained soils
- Prevents skin dryness and cracking which leads to dermatitis
- Leaves hands clean and dry without any sticky residues

### DIRECTIONS FOR USE:

Apply **TRU GRIT** to the hands and work in well until grease and oils are dissolved. Rinse off thoroughly with water or wipe hands with a clean towel or paper cloth.

### HEALTH & SAFETY INFORMATION:

Refer separate Material Safety Data Sheet

### PACKAGING:

- ❖ 500mL Bottle
- ❖ 5 Lt Polyethylene drum
- ❖ 15 Lt Polyethylene drum

Dosing pumps are also available to fit both containers.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
