TYBUMP

Tyre Dressing

DESCRIPTION

TYBUMP is a blend of silicones and solvents formulated to enhance and protect automotive trim, including plastics, vinyl and rubber.

APPLICATIONS

Plastic bumper trim and mirror mounts. Tyres and mud flaps.
Door protective strips and seals.

DIRECTIONS

Clean and dry surface to be treated first. Apply TYBUMP neat with a soft cloth or atomiser spray. Avoid overspray on paintwork and glass. For tyres and mudflaps, a paintbrush is the quickest and most economical method.

PRECAUTIONS

Store in a secured container out of reach of children.
Ensure adequate ventilation when using this product and keep away from sources of heat or naked flame. TYBUMP may produce a highly flammable vapour.

HEALTH AND SAFETY INFORMATION:

See separate MSDS available on request.

PACKAGING

- ◆ 20 litre Metal Drum

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
